# Meet Our New NWWMLS Team!

**Ann Johnson: NWWMLS Administrator**

# Meet Ann

My name is Ann Johnson, and I am the new NWWMLS Administrator at RANWW. I am excited for this opportunity, and I look forward to meeting and getting to know the staff, members, leadership, vendors, and all of whom are affiliated with RANWW. I was previously employed at Charter Communications for the past 17+ years. I am eager to take on this new adventure and exhibit how my experience, education, hard work, and dedication will benefit this position.

My family and I are life-long citizens of Eau Claire and really enjoy the recreation that this area has to offer. I am a mom of four boys, three of which are now adults and on their own. As a family, we all love the outdoors and traveling. We really enjoy being on the water boating, fishing and soaking up the sun in the Spring, Summer, and Fall. I have a new baby grandson and my family is so anxious to introduce him to all the things we love!

## **Riley Barnhardt: NWWMLS Administrative Assistant**

# Meet Riley

Hello!

My name is Riley Barnhardt, and I am the NWWMLS Administrative Assistant! I've been working behind the scenes at RANWW for almost a year now, but have increased my hours, and will be a

full-time employee starting this summer! I am currently enrolled at the University of Wisconsin-Eau Claire as a Political Science/Business Administration double major and am in my junior year. I enjoy many activities, including powerlifting, hanging with friends, and golf. I have also recently begun learning Brazilian Jiu-Jitsu and Mixed Martial Arts!  
I look forward to meeting and working with everyone!

## We Need You!

Over 64% of Wisconsin's single-family structures were built before 1980. When we reinvest in older housing stock, property values are stabilized, housing is made more efficient and sustainable, and communities are renewed.

We support AB 607, legislation authorizing the Wisconsin Housing and Economic Development Authority (WHEDA) to make low-interest or no-interest loans for the rehabilitation of residential properties when certain circumstances apply.

Send a pre-written message to your State Senator today, urging them to support AB 607!
